

March Madness

Wagerr Pick'em Rules

Objective

Predict the sequence of wins and losses for the NCAA March Madness Tournament 2021 and win great prizes.

Conditions and Requirements

Brackets must be submitted via wagerr.com sportsbook account. Creating an account is free.

Free brackets

Each account can submit up to two bracket submissions.

Submission deadline

Friday, March 19, 2021 12 noon EDT (observing DST)

Friday, March 19, 2021 16:00 UTC

Brackets submitted after the deadline are not eligible for prizes.

Transparency and Authentication

All valid bracket submissions will be encoded on the Wagerr blockchain for verification and transparency. A perfect bracket earns major bragging rights. By encoding each bracket submission on chain, you have absolute proof that your prediction was made before the Madness even began.

Prizes

Grand Prize: 1 million Wagerr (WGR) + 1 Bitcoin (BTC)

The grand prize is awarded for a perfect bracket submission. A perfect bracket is defined as an accurate prediction of the complete sequence of winners and losers from the "Round of 64" to the official winner of the National Championship.

Leaderboard Prizes

All valid entrants also compete for rewards based on the number of points for each successful prediction. The leaderboard shows point progression of top competitors.

Point Calculation

Points are awarded for correctly predicting the winner of each event. Entrants earn a point for each game they predict the correct winner, even if their prediction of the competitor for that event was incorrect.

First Prize

50,000 WGR

Second Prize

25,000 WGR

Third Prize

10,000 WGR

Fourth Prize

7,000 WGR

Fifth Prize

6,000 WGR

Submission deadline

Friday, March 19, 2021 12 noon EDT (observing DST)

Friday, March 19, 2021 16:00 UTC

Brackets submitted after the deadline will not be eligible for prizes.

Tie-breakers

If two winners have identical bracket submissions, but different score predictions for the final game, the submission with the point total closest to the actual championship game point total wins.

Multiple Winners

If there is more than one perfect bracket submission, the grand prize and leaderboard points prizes will be split among the winners.

Transparency and Authentication

This is a provably fair competition. All valid bracket submissions will be encoded on the Wagerr blockchain for verification and transparency. A perfect bracket earns major bragging rights. By encoding each bracket submission on chain, you have absolute proof that your prediction was made before the Madness even started.

Decision Authority

Wagerr.com at its sole discretion will be the final arbiter of prize winners. Wagerr.com at its sole discretion determines the validity and eligibility of all submissions and reserves the right to suspend the grand prize if abuse is rampant.
